

[direct marketing simplified]

get your to-do done.

If you are like most direct marketers, you are faced with trying to do more with less. The wasted time and complexities of managing multiple vendors only adds to the problem.

We can help.

DoubleClick and Abacus offer a complete suite of industry-leading direct marketing solutions for catalog and retail merchants. So, whether you need help with only one item on your to-do list – or all of them – give us a call.

We can help you save time, do more, and achieve better results.
