

A HOME

A CASTLE

Once upon a time in beautiful Colorado,
a noble young lad bought a castle for his fair maiden
(o.k. it was really just a home, but to him it was a castle).

Unbeknownst to them, there was an ugly, nasty ogre lying dormant
in the soil underneath. This ogre's name was "Expansive Soil."

Expansive Soil couldn't wait to create some serious dirt
for the couple and their builder...
