Englewood, CO 80110

*Home Builder, Subcontractor, and Construction
Industry Captive Insurance Solution*

The Four Points Re, SPC Ltd. segregated portfolio facility is an **ALTERNATIVE RISK FINANCING VEHICLE** for insureds looking for the advantages of a captive insurance company, without the time and financial commitment involved in establishing a wholly-owned insurance company of their own.

BENEFITS FOR PARTICIPANTS

- ☐ ★☐ The insured is able to assume a portion of their risk, thereby participating in underwriting and investment results
- ☐ ★☐ Access to reinsurance markets, which can be more efficient sources of coverage than primary insurance markets
- ☐ ★☐ Obtain risk pricing that is based on its own experience rather than a primary company's pooled loss experience
- ☐ ★☐ Access to experts who will help you arrive at creative and effective answers to any risk-financing situation
- ☐ ★☐ No significant capital requirement
